

Black Mercerized Petticoats

Saturday 69 Cents Each.

A representative of a petticoat manufacturer we never before bought of was sent to Barre with instructions to open an account with The Homer Fitts Co. To get us interested he shows us a black mercerized petticoat, a better one we have not been able to sell for two years for less than \$1.00. We wanted one we could put out for a sale for 69c and we made him an offer—Saturday you buy them while they last, as good as we have sold for \$1.00, better than we have ever sold for 79 cents.

Saturday 69 Cents Each.

FREE AT OUR STORE While They Last See Our Radiumite Window Display

We have received a fine new, special lot of handsome, hand-forged, hollow ground Radiumite Razors that usually sell at \$2.00 each at retail, which we will give away absolutely free to advertise the wonderful

RADIUMITE DOLLAR RAZOR STROP which is light, pliable, durable, convenient, and safe, and which is revolutionizing the art of shaving.

A RAZOR GIVEN FREE TO THE PURCHASER OF EACH STROP CALL TODAY AS THEY ARE GOING FAST. We make this remarkable free offer of a most excellent razor, the Radiumite Razor, which will not harm the tender and most delicate razor. They make shaving a convenient and a delight, even to men having the hardest beard.

The secret of a quick, clean shave does not lie so much in a good razor as in a good strop. With the RADIUMITE STROP the most inferior razor is brought up to a fine edge, and the exact of the razor blade is kept true at all times in the best possible condition, ready to shave the hardest beard easily and delightfully. Each Radiumite Strop is built under the positive guarantee that if it is not a razor-strop money will be returned. They are for either ordinary or safety razors.

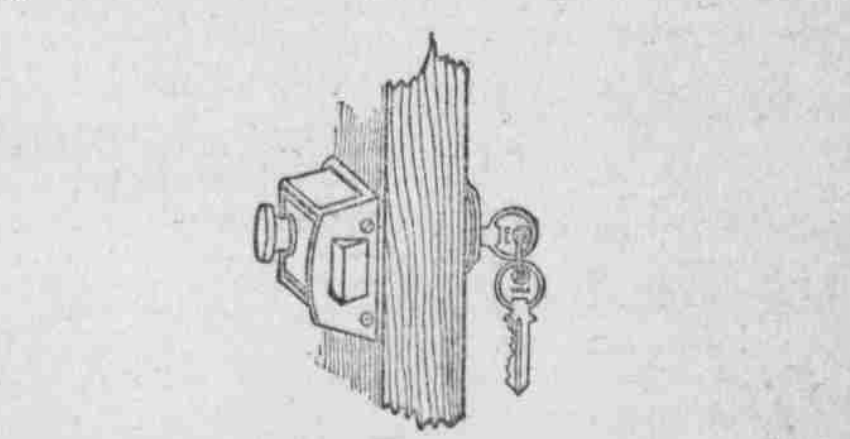

Radiumite Strops, 60c to \$2.50; Razors, \$1 to \$3. DANGER LURKS IN THE USE OF ANY STROP BUT A RADIUMITE! Radiumite can dissolve, such as DANIEL, RADIUMITE, TRUE, BRADMAN and RADIUMITE. Shave from the use of inferior razors and strops that cut, irritate and open the skin, thus admitting the terrible bacteria that lurk in the animal parts of shaving soaps, hair shaving brushes, and in the air itself.

THE ONLY PERFECT STROP IS THE RADIUMITE. Don't use the worthless, heavy, double, concave cow strops as generally sold, and also which shoe dealers out of ten will try to sell you. They are so much old junk, pure and simple. The worst Radiumite strops for perfection in razor strop making. For a Radiumite strop and take no substitutes—no matter how handsome it may appear. Shave from the use of any strop but a Radiumite.
